11. Declaration

I hereby request Scottish Friendly Assurance Society Limited to issue a new policy based on the premiums and policy benefits as detailed above.

I declare that, to the best of my knowledge and belief, my health has not changed since I took out my original Scottish Bond policy. (If the declaration does not apply to you, please sign it but put any additional relevant information regarding your health and medical history on a separate piece of paper. Non disclosure of a material fact, which is one the insurer would regard as likely to influence his decision whether or not to accept your application, may affect the amount payable in the event of death. If you are in doubt as to whether a fact is material, you should disclose it.)

A copy of this completed application form and the policy terms and conditions are available on request.
