Product Guide of the My Select policy within your Scottish Friendly ISA

Its aims

- To help your investments grow tax-efficiently and provide a tax-free return.
- To enable you to make use of your ISA allowance of up to £20,000 in any tax year.
- To provide potential growth on your investments over the medium to long term (5 years or more) through an investment fund or a choice of investment funds.

Your investment

- You can invest as much as you want provided your total investments in any tax year (with your Scottish Friendly ISA and/or a Cash ISA, Innovative Finance ISA or a Lifetime ISA with another ISA manager) do not exceed £20,000.
- You can invest monthly by Direct Debit. The minimum monthly payment is £10.
- You can stop, restart, raise or lower contributions whenever you like.
- Your money will be invested in a My Select policy, which will be held within your Scottish Friendly ISA. Your money will be invested in the fund or funds specified in your policy schedule and may change at your discretion over time. Full details of the funds available to you are included in this document.
- You have access to your money at all times, although you should expect to leave your money invested for at least 5 years.
- If you wish, you can arrange for your payments to automatically increase by 2.5%, 5% or 10% each year. You can stop, increase or reduce the rate of increase at any time.
- There is no limit on the number of policies you can take out within your Scottish Friendly ISA provided you do not exceed your annual ISA investment allowance of £20,000.

Risks

- If you want to invest from £100 a month or an initial lump sum from £2,000 and do not need the flexibility to stop, restart or lower your payments, My Prime (ISA) could be more suitable for your financial needs and you may wish to consider this option. You can find out more information about this product at www.scottishfriendly.co.uk/isas/my-prime-isa
- The actual cash-in value of your My Select policy within a Scottish Friendly ISA will depend on the expenses and performance of the fund(s) selected.
- The value of your investment in the My Select policy can go down as well as up and therefore you could get back less than you have invested.
- There will be risks associated with your specific fund(s) and therefore you should carefully consider each of these. You can find out more about the specific risks of each fund in this document on pages 5 to 10.
- If you decide to exercise your right to cancel, you will get back the market value of your investment, which could be more or less than the amount you invested. If your ISA has been set up within 30 days of the cancellation request then your money will be returned and will not be treated as having been paid into an ISA. If your ISA has been set up in excess of 30 days of the cancellation request, then you will get your money back but it will be treated as having been paid into an ISA, and your annual subscription limit will therefore be reduced by this amount.
- If you fully cash in your policy, or request a withdrawal which would leave a value of less than £50 in your policy, within the first 5 years of setting it up there will be a charge of £50 deducted from your policy.
- The tax treatment of your policy depends on your individual circumstances and the levels and basis of taxation may change in the future. This may reduce the amount you get back or increase the amount of tax you pay.

Questions & answers

Who can apply?

You are eligible to apply if you are aged 18 or over and a UK resident.

Is this policy right for me?

The My Select policy within your Scottish Friendly ISA is for investors wanting to invest monthly with a minimum intended term of at least 5 years, in an arrangement that offers a choice of investment options which are explained on pages 5 to 10 of this document.

If you are in any doubt as to the suitability of this plan for your financial needs, you should contact a financial adviser.

What is an ISA?

ISA stands for Individual Savings Account. An ISA allows your savings or investment to grow tax-efficiently.

Under the tax-efficient ISA umbrella you can currently invest in one or more of the following types:

- Cash ISA - allows you to save tax efficiently in cash (not offered by Scottish Friendly).
- Innovative Finance ISA – allows you to lend to others without paying tax on the interest you earn (not offered by Scottish Friendly).
- Lifetime ISA – enables you to invest with a Government Bonus of 25% of your investment but with penalties for access before the age of 60 or for other than buying your first house under £450,000.
- Stocks and Shares ISA – also known as an Investment ISA.

Our Stocks and Shares ISA offers a choice of funds that include bonds and cash as well as stock market investments. You can find out more about each fund in this document on pages 5 to 10.

Your total investments with a Scottish Friendly ISA (or a Cash ISA or Innovative Finance ISA or Lifetime ISA with another ISA Manager) must not exceed £20,000 in any tax year. Scottish Friendly only offers investment into an Investment ISA.

Is my Investment ISA a flexible ISA?

Scottish Friendly does not offer a flexible ISA. A flexible ISA is one that enables you to reinvest any withdrawals you have made from your ISA in any tax year without it counting towards your total contributions in that tax year.

Can I have more than one ISA?

You are entitled to have one Cash ISA, one Innovative Finance ISA, one Lifetime ISA and one Investment ISA in each tax year. You can have your Cash ISA, Innovative Finance ISA, Lifetime ISA and Investment ISA with different ISA managers if you wish.

Can I have more than one Investment ISA with Scottish Friendly?

No. However you are allowed to split your investment with Scottish Friendly into a number of different policies and an example of this is given in the next section.

How can I split my Investment ISA with Scottish Friendly into separate policies?

Whilst you can only have one Scottish Friendly ISA there are no restrictions on the number of policies you can hold within it.

So rather than lumping all of your ISA money into one pot, you can split it into different policies giving you more control of your investment.

By splitting your investment into different pots (policies), you can tag each one for different saving and investment objectives. For example, you may set up one for each of your children, another for a rainy day and yet another for a car.

There is no limit on the number of policies you can have within your Investment ISA with Scottish Friendly provided your total investment does not exceed the £20,000 annual ISA investment limit. This includes any amount you may have subscribed to a Cash ISA, Innovative Finance ISA and/or a Lifetime ISA.

How do I set up a My Select policy within my Scottish Friendly ISA?

You select at the outset how much you initially want to pay in each month. If you wish, you can also select to automatically increase your payments by 2.5%, 5% or 10% after each 12 month investment period. You can stop or change the rate of increase (subject to a maximum of 10% a year) at any stage.

If you do not already have a Scottish Friendly ISA or an Investment ISA with another ISA Manager in the current tax year, then your ISA and policy come into force when your documentation is issued and your first payment is collected.

Alternatively if you already have a Scottish Friendly ISA, your policy will be added to your existing Scottish Friendly ISA and will come into force when your documentation is issued and your first payment is collected.

Your payments are then invested in your policy which will buy units in the selected fund or funds of your choice. Your policy will be held within your ISA.

The fund(s) you have selected will be detailed in your personalised illustration which will be issued with your policy document.

You can read about how all the funds work on pages 5 to 10.

How can I pay?

You can make monthly payments from £10 by regular Direct Debit or single payments from £100 by one-off Direct Debit.

Once you have set up a My Select policy within a Scottish Friendly ISA you can change, stop, decrease or top up your contributions online at www.scottishfriendly.co.uk/my-plans or you can write to us to request a change.

Who looks after my money?

When you select to invest some or all of your investment in any of the unit-linked funds, your money will be placed with an investment fund manager or range of managers selected by Scottish Friendly. In other words, your money will go into a fund that invests in another underlying fund or combination of funds.

The underlying fund(s) will be selected by Scottish Friendly with the intention of ensuring that your investment meets the performance objectives that we set out in the fund descriptions provided. In addition we will consider the performance of the fund manager(s), charges and the investment process employed by the fund manager(s).

We'll keep all aspects of the underlying fund(s) and the fund manager(s) under review so we may change them in the future.

You can read the Key Information Document and find out more information about this fund at www.scottishfriendly.co.uk/isas/my-fund-select-isa

What are the tax advantages?

You pay no income tax or capital gains tax on investments within your Scottish Friendly ISA. However, the fund(s) in which your policy invests will receive UK dividend income net of corporation tax if it invests in any UK stocks and shares.

How do I take money out of a My Select policy?

You may make a withdrawal by providing our Customer Services Department with signed confirmation of your instructions. Alternatively, you can make a withdrawal online by registering for our online service at www.scottishfriendly.co.uk/my-plans

Withdrawals will be met by cancelling units in your fund(s) within your policy according to your instructions. If you do not specify which fund(s) the withdrawal should come from then we will make a withdrawal by cancelling units in proportion to the value of each fund within your policy.

Payments will be made within four working days of your units being sold and paid back to the bank account that you use to make your payments.

Where you make a withdrawal in any tax year, your annual allowance will not be affected. This means if you reinvest a withdrawal in the same tax year, it will count as a new subscription in that tax year.

How do I find out the current cash-in value of my investment?

You can find out the current cash-in value of your investment by calling our Customer Services Department on 0333 323 5433* or by visiting www.scottishfriendly.co.uk/my-plans

What happens if I die?

The death benefit under your My Select policy within a Scottish Friendly ISA will be paid to your estate. The amount payable on death is 101% of the value of units held within all the policies, within your ISA at date of death. The tax advantages of a Scottish Friendly ISA can be transferred to your Spouse or Civil Partner. This allowance is the value of your Scottish Friendly ISA at the date of your death, and is in addition to your Spouse or Civil Partner's own ISA allowance.

Higher fund

What is the Higher fund?

The Higher fund is designed to achieve long-term growth from a mixed investment which may include the UK and global stock markets, cash and government and company bonds.

It will tend to focus on those assets with higher levels of potential risk and return (e.g. UK and international stock market assets) and is therefore likely to produce a higher but more volatile potential return than the Medium fund or the Lower fund.

Overall the fund has been designed to match the historic level of risk associated with investing in the UK stock market. This does not mean that the fund will track or act like the UK stock market, only that an investor could expect a similar level of risk from this fund should its historic performance be repeated.

Fund specific benefits	Fund specific risks
<ul style="list-style-type: none"> ● A higher risk and reward investment linked to a managed basket of assets with emphasis on higher long term expected return assets such as the stock market. ● Higher longer term growth potential than a cash based investment and better potential than the Medium fund or Lower fund. 	<ul style="list-style-type: none"> ● Your cash-in value can rise and fall on a daily basis and you could get back less than you have paid in. ● The fund contains a higher degree of risk than an investment in the Medium or Lower funds which means that it is likely to experience greater price rises and falls than the Medium or Lower funds. ● The actual risk and return of the fund will depend on Scottish Friendly's ability to efficiently allocate investments to meet the risk profile of the fund.

What does the Higher fund invest in?

The Higher fund may invest in UK and global stock markets, cash and government and company bonds. The funds current mix as at 07/02/2019 is:

US equities	59.4%
UK equities	30.1%
Pacific equities	6.2%
European equities	4.3%
Cash	0%
Company bonds	0%
Government bonds	0%
Japan equities	0%

This mix may change tactically from time to time as decided by Scottish Friendly. In addition the target mix will be reviewed at least once a year and will be published at: www.scottishfriendly.co.uk/risk-graded-funds

What might I get back from my policy?

The amount you will get back from your My Select policy will depend on how much you have paid in, the length of time it has been invested, the investment performance in the fund(s) over this time and the amount of money, if any, you have taken out of your policy.

Example

If you invest an initial monthly payment of £30, escalating by 5% each year for 10 years (total amount invested £4,529), with a 100% investment in the Higher fund, the figures below shows how much your My Select policy could be worth after charges, growing under three different scenarios:

- If investments grew at 2% a year you would get back £4,630.
- If investments grew at 5% a year you would get back £5,320.
- If investments grew at 8% a year you would get back £6,130.

For the regular monthly payments example shown above, please note:

- These figures are only examples and are not guaranteed – they are not minimum or maximum amounts. What you will get back depends on how your investment grows and the tax treatment of your investment.
- You could get back more or less than this.

- These yearly growth rates are our reasonable estimate of what the investment returns could be but are subject to the maximum rates specified by the Financial Conduct Authority. Please note that these maximum rates limit the growth rates we can show which means that whilst we estimate that the Higher fund has a larger expected rate of return than the Medium fund both are equal because they are capped at the same maximum permissible rate.
- The charges appropriate to a My Select policy have been deducted in calculating the figures shown.
- Do not forget that inflation will reduce what you can buy in the future with the value of your My Select policy within a Scottish Friendly ISA.

We will send you a statement twice a year. Your ISA statement will show the activity that has taken place since your previous statement.

What will my final return be?

Your final return will be determined by the mix of funds and their performance over the time of your investment.

What are my guarantees?

As a largely stock market-based investment, there are no guarantees on your final cash-in value and therefore you could get back less than you have invested.

What are my charges?

The fund has an annual management charge of 1.5% of the fund value deducted on a daily basis. This annual management fee includes the cost of fund management for the underlying fund.

There is a deduction of £50 assumed if you cash in your policy within the first five years.

We have taken account of all these charges in the figures shown in these examples. They could increase in the future if our costs increase more than expected.

If you invest an initial monthly payment of £30, escalating by 5% each year for 10 years (total amount invested £4,529), the effect of charges on your payments are set out in the next column.

The figures apply to investments in the Higher fund. The last two columns assume that your money will grow by 5% a year.

WARNING – if you cash in during the early years, you could get back less than you have paid in.

At end of year	Total paid in to date	Effect of deductions to date	What you might get back
1	£360	£52	£316
2	£738	£61	£714
3	£1,135	£77	£1,140
4	£1,552	£101	£1,610
5	£1,990	£83	£2,160
10	£4,529	£410	£5,320

What are the deductions for?

The deductions include expenses, charges and any other reductions.

The last line in the regular monthly payments table shows that if you withdraw your investment after 10 years, the effect of the total deductions could amount to £410.

Putting it another way, this would have the same effect as bringing the investment growth from 5% a year down to 3.4% a year.

Which manager currently looks after my money?

The Higher fund is currently linked to:

- European equities: Legal & General European Index Trust
- UK equities: Legal & General UK Index Trust
- US equities: Legal & General US Index Trust
- Pacific equities: Legal & General Pacific Index Trust

Medium fund

What is the Medium fund?

The Medium fund is designed to achieve long term growth from a mixed investment which may include the UK and global stock markets, cash and government and company bonds.

It will balance its investments across all the above assets but will tend to favour those with greater levels of historic risk and expected return (e.g stock market assets). It is likely to produce a level of potential risk and return which lies between the Higher and Lower funds.

Fund specific benefits	Fund specific risks
<ul style="list-style-type: none"> ● An investment linked to a managed basket of assets which tends to favour assets such as the stock market, which have greater levels of potential risk and return. ● Greater longer term growth potential than a cash based investment and better potential than the Lower fund but less than that of the Higher fund. 	<ul style="list-style-type: none"> ● Your cash-in value can rise and fall on a daily basis and you could get back less than you have paid in. ● The fund contains a greater level of risk than the Lower fund but less than the Higher fund. This means that the Medium fund is likely to experience greater levels of price rises and falls than the Lower fund. ● The actual risk and return of the fund will depend on Scottish Friendly's ability to efficiently allocate investments to meet the risk profile of the fund.

What does the Medium fund invest in?

The Medium fund may invest in UK and global stock markets, cash and government and company bonds. The funds current target mix as at 07/02/2019 is:

UK equities	23.2%
Government bonds	20.0%
European equities	11.0%
Pacific equities	4.4%
Cash	0%

Japan equities	0%

This mix may change tactically from time to time as decided by Scottish Friendly. In addition the target mix will be reviewed at least once a year and will be published at: www.scottishfriendly.co.uk/risk-graded-funds

What might I get back from my policy?

The amount you will get back from your My Select policy will depend on how much you have paid in, the length of time it has been invested, the investment performance in the fund(s) over this time and the amount of money, if any, you have taken out of your policy.

Lower fund

What is the Lower fund?

The Lower fund is designed to achieve long-term growth from a mixed investment which may include UK and global stock markets, cash and government and company bonds.

It will tend to focus on those assets with historically lower levels of risk and expected return (cash and bonds) and is likely to produce a steadier but lower level of potential return than the Medium fund or the Higher fund.

Overall the Lower fund is designed to match the historic level of risk associated with investing in UK Government long term bonds. This does not mean that the fund will track or act like the UK Government bonds, only that an investor could expect a similar level of risk from this fund should the historic performance be repeated.

Fund specific benefits	Fund specific risks
<ul style="list-style-type: none"> ● A lower risk and reward investment linked to a managed basket of assets with emphasis on safer assets such as bonds and cash. ● Greater longer term growth potential than a cash based investment. 	<ul style="list-style-type: none"> ● Your cash-in value can rise and fall on a daily basis and you could get back less than you have paid in. ● Whilst the Lower fund contains an element of risk it is lower than that of the Higher or Medium funds. This means that the fund is likely to experience a lesser level of price rises and falls than the Higher or Medium funds. ● The actual risk and return of the Lower fund will depend on Scottish Friendly's ability to efficiently allocate investments to meet the risk profile of the fund.

What does the Lower fund invest in?

The Lower fund may invest in UK and global stock markets, cash and government and company bonds. The funds current mix as at 07/02/2019 is:

Government bonds	49.5%
US equities	19.6%
Company bonds	12.1%
UK equities	10.1%
European equities	5.2%
Pacific equities	2.1%
Japan equities	1.4%
Cash	0%

This mix may change tactically from time to time as decided by Scottish Friendly. In addition the target mix will be reviewed at least once a year and will be published at: www.scottishfriendly.co.uk/risk-graded-funds

What might I get back from my policy?

The amount you will get back from your My Select policy will depend on how much you have paid in, the length of time it has been invested, the investment performance in the fund(s) over this time and the amount of money, if any, you have taken out of your policy.

Example

If you invest an initial monthly payment of £30, escalating by 5% each year for 10 years (total amount invested £4,529) with a 100% investment in the Lower fund, the figures below shows how much your My Select policy could be worth after charges, growing under three different scenarios:

- If investments grew at 0.5% a year you would get back £4,320.
- If investments grew at 3.5% a year you would get back £4,960.
- If investments grew at 6.5% a year you would get back £5,710.

For the regular monthly payments example shown above, please note:

- These figures are only examples and are not guaranteed – they are not minimum or maximum amounts. What you will get back depends on how your investment grows and the tax treatment of your investment. The lower projected growth rate of 0.5% provides for a return which is less than the total investment you will make over a 10 year term. This is due to the effect of charges.
- You could get back more or less than this.

- These yearly growth rates are our reasonable estimate of what the investment returns could be. They are less than the maximum rates specified by the Financial Conduct Authority.
- The charges appropriate to a My Select policy have been deducted in calculating the figures shown.
- Do not forget that inflation will reduce what you can buy in the future with the value of your My Select policy within a Scottish Friendly ISA.

We will send you a statement twice a year. Your ISA statement will show the activity that has taken place since your previous statement.

What will my final return be?

Your final return will be determined by the mix of funds and their performance over the time of your investment.

What are my guarantees?

Despite the lower risk nature of the assets within the Lower fund, there are no guarantees on your final cash-in value and therefore you could get back less than you have invested.

What are my charges?

The fund has an annual management charge of 1.5% of the fund value deducted on a daily basis. This annual management fee includes the cost of fund management for the underlying fund.

WARNING – if you cash in during the early years, you could get back less than you have paid in.

4	£1,552	£99	£1,560
5	£1,990	£79	£2,080
10	£4,529	£372	£4,960

What are the deductions for?

The deductions include expenses, charges and any other reductions.

The last line in the regular monthly payments table shows that if you withdraw your investment after 10 years, the effect of the total deductions could amount to £372.

Putting it another way, this would have the same effect as bringing the investment growth from 3.5% a year down to 2% a year.

Which manager currently looks after my money?

The Lower fund is currently linked to a range of funds:

- Company bonds: Legal & General High Income Index Trust
- European equities: Legal & General European Index Trust
- Government bonds: Legal & General All Stocks Gilt Index Trust
- Pacific equities: Legal & General Pacific Index Trust

Further information

Unit prices

The unit price of the funds available in a My Select policy within a Scottish Friendly ISA are published every day. You can check the current cash-in value of your My Select policy by logging on to our secure website www.scottishfriendly.co.uk/my-plans or by telephoning our Customer Services Team on 0333 323 5433*.

Cancellation rights

When you set up a Scottish Friendly ISA within which your My Select policy will be held, you'll receive notice of your right to change your mind and how to cancel within your welcome pack. You'll then have 30 days to cancel your investment and we'll provide instructions letting you know how to do this. If you decide to exercise your right to cancel your policy, you will get back the market value of your investment, which could be more or less than the amount you invested.

After 30 days you will no longer have the right to cancel your policy and you will have to cash it in, which means you could get back more or less than the amount you invested.

If your ISA has been set up within 30 days of the cancellation request then your investment will not be treated as having been paid into an ISA. If your ISA was set up in excess of 30 days of the cancellation request, then your investment will be treated as having been paid into an ISA, and your annual ISA subscription limit will therefore be reduced by this amount.

Your right to cancel applies when you set up a Scottish Friendly ISA. If you take out future policies within your Scottish Friendly ISA, you will not have the right to cancel these policies.

Withdrawals

You may make a withdrawal by providing our Customer Services Department with signed confirmation of your instructions. Alternatively you can make a withdrawal online by registering for our online service at www.scottishfriendly.co.uk/my-plans

The minimum withdrawal is £50 and the value of your policy after a withdrawal must be at least £50. If the value remaining after a withdrawal is less than £50 then you will be considered to have closed your My Select policy and the remaining value, less any deductions, will be paid out to you. If you close your policy and withdraw the full value within the first five years, there will be a £50 deduction from your cash-in value.

Withdrawals will be met by cancelling units in your fund(s) according to your instructions. If you do not specify which fund(s) the withdrawal should come from then we will make a withdrawal by cancelling units in proportion to the value of each fund within your policy.

Payments will be made within four working days of your units being sold.

Fund switching

You can make changes to the investments held in your My Select policy by registering for our online service at www.scottishfriendly.co.uk/my-plans or in writing to Scottish Friendly.

There is no charge for a reasonable number of fund switches made per calendar year. However, excessive usage of more than 60 switches within a calendar year will incur a charge of £25 per subsequent switch. All switch instructions received by 12 noon each day will be processed at the next valuation point, which is normally the same day.

Transfer in

If you hold one or more ISAs with another ISA Manager, you can transfer these to Scottish Friendly by asking for our ISA Transfer Application Form. Transfers can only take place in cash and will be invested into a My Prime policy within your Scottish Friendly ISA. Scottish Friendly does not accept transfers into a My Prime policy from a flexible ISA. Once you have completed the details and returned the form to us, we will provide you with details of your new policy. To find out more, contact us on 0333 323 5433*.

Transfer out

At your written request, we will transfer your investment to another ISA Manager without the loss of tax relief in line with current ISA rules. Transfer payments will be met by selling units in the fund at the next valuation point following receipt of completed written instructions from your new ISA Manager. You should note that if you transfer out within the first five years, there will be a £50 deduction from your policy value.

We will pay the proceeds to the new Manager within four working days. If you wish to retain the tax free benefits of your ISA (as opposed to simply withdrawing money) your investment in My Select policy can be transferred to another ISA Manager's Investment ISA, Innovative Finance ISA, Lifetime ISA or Cash ISA.

Taxation

All income and capital gains generated by the funds within your Scottish Friendly ISA are free of UK income tax and capital gains tax. Income allocations will be in the form of interest or dividend distributions. Interest distributions are received net of a 10% Income Tax credit.

The funds in which you invest will receive UK dividend income after the deduction of UK corporation tax.

All references to taxation are to UK taxation and are issued on the basis of Scottish Friendly Asset Managers' understanding of current tax law and practice. The tax treatment of your investment depends on your individual circumstances and the levels and basis of taxation may change in the future.

Money laundering regulations 2017

Under these regulations, there is a requirement to prove the identity of people who wish to take out a life, pension or investment contract. You may therefore be asked to supply documents as evidence of your identity and/or your address and we may check your identity with a credit checking agency.

6. Cancellation

You do NOT have the right to cancel your Account once it has been set up or when you take out any future Policies that are held within it. You should note that whilst some of the Account Investments give the right to cancel, exercising this right will cause the market value of your investment to be returned to you, which could be more or less than you invested, and this will be treated as a full withdrawal from your Account.

7. Investment Objective

The investment objective of your Account will correspond to the qualifying investments specified in your Application Form (either online or on paper) and noted in your personalised illustration which is issued to you on completion of your application.

8. Account Investments

- C. Withdrawals will be met by selling Account Investments at the next valuation point following receipt of your instructions. Unless you give us instructions with your withdrawal request, we will have discretion to choose which Account Investments to sell.
- D. The amount to be withdrawn will be paid to you within four business days following receipt of cleared funds resulting from the sales of Account Investments.
- E. We may deduct from the withdrawal amount any sums due to it.
- F. Where you make a withdrawal in any Year, your annual allowance will not be affected. This means if you reinvest a withdrawal in the same Year, it will count as a new Subscription in the Year.
- G. Withdrawals under the LISA Access option shall be reinvested into a Scottish Friendly ISA as if you had a continual investment, and will not be paid directly to your bank account but into your Scottish Friendly Lifetime ISA.

13. Charges

- A. Management fees and charges for the Scottish Friendly ISA are deducted from your investments according to the terms set out in the Product Guide.

14. Termination

- A. You may terminate your Account by writing to us or online at www.scottishfriendly.co.uk/my-plans which will be effective on receipt but will not affect transactions already initiated.
- B. We may terminate your Account if you breach a material obligation under these Terms and Conditions, or you fail to take reasonable action within a reasonable time to remedy that breach, by giving you one month's notice in writing. If it becomes impractical or impossible to comply with the Regulations, we may terminate your Account immediately, in which case you will be notified in writing.
- C. When an Account is terminated, we will sell the Account Investments and pay you the proceeds together with any cash balance held in the Account (or on your written request will transfer the proceeds to another ISA manager). Interest will not be paid on any cash balance if you have given notice of termination since the last monthly interest payment date. We may deduct any charges or other amounts due, any tax liabilities under the Account, and any additional expenses incurred in terminating the Account.

On notification of death, we will sell the Account Investments and hold the proceeds on deposit in sterling (earning interest). We may make deductions as provided in paragraph c) above. Upon receipt of the grant of probate or appropriate legal confirmation and a copy of the death certificate, we will transfer the cash balance of your Account to your personal representatives. These Terms are binding on your personal representatives. We may at our discretion accept or reject instructions received from your personal representatives.

- E. On death the value of your ISA may transfer as an additional ISA subscription to your Spouse or Civil Partner. This additional ISA subscription can be used within 3 years of the date of your death or, if later, 180 days after the end of completion of the administration of your estate. It can be invested with Scottish Friendly or directly with another ISA provider. Should your Spouse or Civil Partner wish to subscribe to a Scottish Friendly ISA in using this one off subscription it must be made in cash or cash transfer and they should contact Scottish Friendly at the address provided.

15. Void Accounts

Your Account will be managed in accordance with the Regulations, which take precedence over these Terms. We will notify you if, as a result of any failure to comply with the Regulations, your Account is or becomes void. When an Account is void, we will sell the Account Investments and pay you the proceeds together with any cash balance held in the Account. We may deduct any charges or other amounts due to us, any tax liabilities under the Account, and any additional expenses incurred in terminating the Account.

16. Transfer to New Account Manager

- A. You may instruct us to transfer to another approved account manager, within such time as shall be agreed, either (i) the whole of your Account, or (ii) part of your Account ('a partial transfer'), subject to and in accordance with the Regulations. Only cash may be transferred, and we will convert Account Investments into cash after receiving your instructions. We may deduct from the transfer any sums due to it.
- B. In the case of a partial transfer, that is a transfer of part of the realised Account Investments and cash held in an ISA or, where there is more than one ISA, all of the realised Account Investments and cash held under a particular ISA, the transfer shall not include any Subscriptions to the Account during the Year of transfer nor the value of any gains or other proceeds relating to the investment of such Subscriptions.
- C. A partial transfer involving the transfer of part of the realised Account Investments and cash held in an ISA must represent all Subscriptions to the ISA and any gains or other proceeds relating to the investment of such Subscriptions for one or more complete Years.
- D. Also in the case of a partial transfer, the Account Investments remaining after the transfer must, unless otherwise permitted by the Manager, have a minimum value of £300 (failing which we may treat your instruction as an instruction to transfer the whole Account).

17. Information for the Account Manager

You must provide us with all information which we reasonably request for the purposes of the Account and, in particular, you must immediately inform us in writing of any change of tax status or other material change in circumstance.

18. Notices and Instructions

- B. Notices and other documents to be given to you will be posted to your last registered address for your Account and will be considered received by you two days after posting. Alternatively if you have registered for online access you will be emailed that your notice is available to view once you log in to our secure website www.scottishfriendly.co.uk/my-plans. Such notices will be considered to have been received by you immediately after your email notification has been sent.
- C. We are entitled to treat as valid instructions given by you or on your behalf even if that is not the case because of the wrongdoing of another person, unless that other person is an employee or agent of the Account Manager.

19. Liability

- A. You reimburse us against all liabilities incurred by us in connection with your Account, other than liabilities caused as a direct result of our negligence, knowing default, or breach of the rules of FCA or of these Terms.

Additional Terms & Conditions for the My Select Policy held within the Scottish Friendly ISA

The following additional Policy conditions apply to any My Select Policy held within a Scottish Friendly ISA.

Additional Definitions

The following words and expressions, when used in these additional Terms, have the meanings set out beside them:

Final Bonus – an additional value which may be paid into the value of a Policy at the discretion of Scottish Friendly Assurance Society Limited.

Policy Schedule – Documentation issued by the Society detailing the individual characteristics of the Policy.

Regular Bonus – an additional value which may be paid by increasing the Unit Price of Units held in the Policy at the discretion of Scottish Friendly Assurance Society Limited.

Rules – the rules of the Society.

Units – the expression of value purchased and sold by Policyholders when they respectively invest premiums or redeem value from their Account.

Unit Price – the value given to an individual Unit and the price at which it may be bought or sold.

L.1 The Policy

- A. The Policy is a recurrent single premium unitised whole of life assurance contract issued by Scottish Friendly Assurance Society Limited ('The Society') on your life alone and is subject to these Policy Conditions.
- B. Whilst the Policy remains in force and subject to such conditions as the Society may from time to time determine, additional premiums of not less than such minimum amount as the Society shall from time to time determine may be paid by the Policyholder.
- C. The investment content of each additional premium will be specified by the Society and units will be allocated as in Condition L.5.
- D. This Policy may only be held as part of a qualifying investment for an ISA and the Policy shall cease if it ceases to be held within an ISA.
- E. The Policy, the rights conferred by the Policy or any share or interest in the Policy or rights respectively, other than the cash proceeds when the Policy is cashed in or through a withdrawal cannot be transferred to you.
- F. The Policy, the rights conferred by the Policy and any share or interest in the Policy or rights respectively, are not capable of assignment or assignation.
- G. The Policy may be cancelled by the Policyholder within 30 days of the issue of the Policy Schedule. The full value of any investment in that period shall be refunded to the Policyholder through a withdrawal from their Scottish Friendly ISA.

L.2 ISA funds

- A. The Society will maintain a range of funds for the purpose of determining the benefits payable under this and certain other Policies.
- B. Each fund will be divided into Units. Within each individual fund, Units of any particular type will be of equal value, although the value of Units of each fund may vary.
- C. The benefit under this Policy will be specified in terms of Units, which will be allocated to the Policy as described in the Policy Schedule. Such allocation will be made purely for the purposes of calculating the benefit and does not affect the ownership of the assets of the fund, which remain the absolute property of the Society.
- D. The investment of the funds will be at the discretion of the Society, which may reinsure the fund in whole or in part and may at its discretion introduce alternative funds from time to time to which benefits may be linked.
- E. No Units will be created in the funds unless assets equivalent to such Units are added at the same time to the fund. No assets will be withdrawn from the funds except for the purpose of meeting the charges described in Condition 13 or for the purpose of reinvestment, unless at the same time Units equivalent to the assets withdrawn are cancelled.
- F. The income from the assets of each fund will be credited to that fund.
- G. For the purposes of the Policy, any investment within the Unitised With-Profits fund shall be eligible for Regular Bonus and Final Bonus additions as declared by the Society for this particular fund.
- H. The Policy is eligible only as regards Units of the Unitised With-Profits fund allocated to it, to participate in the profits of the Ordinary Branch of the Society in accordance with the Rules from time to time of the Society.
- I. The assets of the Unitised With-Profits fund shall not be separately identifiable from the remainder of the assets of the long-term business of the Society.
- J. The assets of any other fund shall be separately identifiable from the remainder of the assets of the long-term business of the Society.

L.3 Charges against the funds

The Society will be entitled to deduct from the funds at each valuation such amounts as shall be determined by the Society in respect of:

- A. expenses, taxes, duties and other charges incurred in acquiring, managing, valuing and disposing of assets;
- B. any tax due on the income from the assets of the fund and on capital gains in respect of the assets of the fund;
- C. interest on any money borrowed for the account of the fund;
- D. any expenses, taxes, duties and other charges incurred in connection with the fund and not previously taken into account;
- E. an appropriate part of any tax, levy or other charge on the Society.

L.4 Unit Prices of funds

- A. The Unit Price of the Unitised With-Profits fund is increased by way of Regular Bonus addition at such daily rate of interest (if any) as the Society shall determine in its absolute discretion and then rounded by not more than one tenth of a penny.
- B. The Unit Price of the Unitised With-Profits fund shall be the price at which the Society allocates Units to the ISA Policy and at which Units shall be cancelled by the Society.
- C. All other assets within funds (other than the Unitised With-Profits fund) will be valued at least once in each calendar month. Scottish Friendly will derive the maximum and minimum value of each fund from the corresponding values of the assets backing each fund reduced by all loans charged against the fund and with appropriate allowances for uninvested cash, accrued income and accrued or prospective charges. The maximum value of an asset of a fund will not exceed the market price at which it might be purchased and the minimum value will not be less than the market price at which it might be sold. The values of Stock Exchange securities will be based on quoted prices. The values of real or heritable property will be based on valuations prepared and certified by an independent valuer appointed by Scottish Friendly and adjusted to allow for variations in property prices since the last such valuation. The values of all other assets will be determined by Scottish Friendly.
- D. The Unit Price of a fund will be calculated by Scottish Friendly and will be no less than the minimum value, and no more than the maximum value, of the part of the fund attributable to that type of unit after deduction of management charges divided by the number of Units of that type in the fund, the result being rounded down by not more than 0.1p. The actual price may vary above this level.
- E. All rounding reductions to unit prices and any other reductions will accrue to the Society.
- F. Units of the funds may be consolidated or subdivided at any time at the discretion of the Society.
- G. Where Units of the funds are cancelled, the value of the Units so cancelled may be subject to increase by way of further bonus additions (i.e. Final Bonus in the case of the Unitised With-Profits fund) at the discretion of the Society of such amount as the Society shall determine.

L.5 Allocation and cancellation of Units

- A. The number of Units initially attributed to this Policy has been calculated by reference to the Unit Price calculated on the day the initial investment was deemed to have been received by the Society. The Units attributed to this Policy on payment of an additional premium shall be increased by the number of Units calculated by dividing the percentage of the investment allocated to Units (as determined by the Society) by the Unit Price calculated on the day the additional premium is deemed to have been received by the Society.
- B. In the event of the subdivision of all Units in a fund, there shall be allocated to the Policy a number of Units which shall represent as a proportion of the total Units in the fund following such subdivision the number of Units in the fund attributed to the Policy prior to such subdivision.
- C. Units shall be cancelled at the Unit Price calculated at the next valuation point following receipt of the appropriate form or verified electronic instruction at the Society's Head Office.

L.6 Market Value Reduction (MVR) (Unitised With-Profits fund only)

- A. If the Policyholder instructs the Society to cancel some or all of the Units of the Unitised With-Profits fund allocated to the Policy, the Society may make a deduction, known as the Market Value Reduction (MVR), from the value of the Units cancelled. The amount of any deduction to be made shall be determined by the Society with reference to the Society's overall bonus philosophy and in particular, taking account of the reasonable expectations of all its Policyholders.

- B.** Where Units are cancelled to meet a death claim under Policy Condition L.7 or where Units are cancelled on the 10th anniversary from commencement of a continual investment in the With-Profits fund through My Select Policy or the 5th anniversary of that date thereafter, then the Policyholder shall be entitled to a value which is at least equal to the value of the Units cancelled.

L.7 Death benefit

The death benefit under the policy shall be 101% of the value of the Units attributed to the Policy at the date of death subject to any special factor specified in the Policy Schedule or any authorised endorsement thereto. Units allocated to the Policy shall be cancelled at the next Unit Price calculated following receipt of written notification of death by the Society.

L.8 General

- A.** By making the first Subscription and issue of the Policy, the Policyholder, as detailed in the Policy Schedule, becomes a member of the Society under Rule 2 of the Society.
- B.** If at any time during the life of the Policy, as a result of legislation or otherwise, it becomes impracticable or impossible to give full effect to the Policy Conditions or if the basis of taxation applicable to the Society or the Policy is altered, the Society will make such alterations in the Policy Conditions as the Society deems appropriate in the circumstances. The Society will aim to give at least 3 months' notice to any change but reserves the right to give less notice if such changes are a result of immediate regulatory or legislative changes.
- C.** If the Society is required by statute to pay any sum to any Government agency on behalf of the Policyholder, the Society will cancel Units equal in value to such amounts as may be required.
