Vanguard Investments & Insight Investments

¹

The OCF is the charge made by the fund manager for running the fund and is accounted for within the unit price. The OCF does not include any product charges, please refer to your product details for more information.

²

Volatility groups run from 1 (least volatile) to 4 (most volatile) for the funds available from Canada Life and are generally reviewed once a year; we do not notify policyholders or advisers of any changes. For more information please see our guide to understanding volatility, available on our website.

Fund objective

To achieve capital preservation with some opportunity for growth in the medium term by managing the asset allocation of a portfolio of predominantly fixed income and cash with some equities

The fund objective has been provided by the underlying fund manager via FE
