Declaration

I confirm that I would like to change my annual annuity income to the figure stated above/to the income equivalent with the RFP stated above.

I understand that the income ranges detailed in my illustration are as at the date the illustration was produced. Therefore the amount I've requested above may no longer be available when Scottish Friendly processes my request. If this is the case I accept the nearest available income.

I understand that if my request is not received in time to be processed for the next payment due date, the change will take effect from the next available payment date.
